PULL IN FOR SOME HIGH-OCTANE COUNTRY.

"We've been selected by Armed Forces Entertainment to headline three shows for our men and women wearing the uniform of the best country in the world! We are honored to be chosen and cannot, and I mean cannot, wait to bring the party to our troops Wild Bunch style!" Matt Poss and the Wild Bunch bring their part rock-a-billy, part blue grass with a bit of true-blue-tear-in-your-beer music to you.

Get ready to get rowdy.
